Feel free to mail a check and this form but if you require an online option, see our web address!

The Scholarship is dedicated to recognizing students with a strong involvement or commitment to overcoming adversity. The scholarship's namesake, Ryan McShane, 33, is a successful aviator at the top of his career and fighting every day to overcome Stage 4 colon cancer. Instead of giving up, Ryan has charged forward using a positive attitude to beat this life-threatening disease. All he asks is for his story to inspire others.

## Your support will go to the HOPE FLYs Scholarship
